

Find Me A Gluten Free Sandwich

This app is for gluten free office workers who have a short time for lunch and love to eat sandwiches.

Save your time and boost your health!

It will help you find gluten free sandwich restaurants near your office. You can share your opinion, give feedback and rate sandwich menus. It will allow you to take images, then upload to social media (Facebook and Instagram). It will also store your favorite sandwiches and restaurant information. You can see reviews from other members in the gluten free community.
